

“Seas the Day” 2010 Tricky Tray

St. Anthony of Padua School's Home and School Association will be holding its annual Tricky Tray on Friday, April 9, 2010. Our theme this year is “Seas the Day” we are taking ocean conservation personally. ***Historically this is our school's largest event fundraiser.*** ALL of the profits raised from this event go directly back to the school to help offset all of our children's tuition costs. ***In part, thanks to the many families who participated in this event last year our 2009-2010 tuition did not increase.***

Families and friends join together for an exciting evening where hundreds of prizes are raffled off, as well as a 50/50. This year we have added a very personal event, with the help of Mrs. Sopira and Mrs. Crowell, each one of St. Anthony's students participated in a class art project. They will be on display during the Tricky Tray and the winner will be picked that evening. Tickets can be purchased in advance for the class projects; the winner does not need to be present. There is no limit to the amount of tickets you can purchase. Watch for information to be sent home. Pictures can be viewed on our website.

Your \$18 Tricky Tray ticket will include a sheet of small prize tickets, sandwiches and cookies on each table along with a beverage. Beer and wine will be available for purchase. You are more than welcome to bring in any additional snacks.

We need all of our families cooperation to help make this event another success. Please consider donating a gift or make a monetary donation. Why not ask a couple of other families to go in on one large gift? Perhaps you own a business and would like to purchase a booster, or have time sharing or season tickets to a game and would like to donate it to the Tricky Tray. All donations are tax deductible. When donating, we do not need to know what you paid for the “gifts”, only the value of the donation.

Thank you so much for all of your cooperation,
Karen Burke
