## St. Anthony of Padua School Tricky Tray 2010

January 3, 2010

Dear Friends and Supporters of St. Anthony of Padua School,

Every year, we look forward with great anticipation to our Annual Tricky Tray Auction to help generate needed funds for the continued growth and development of our school. This year, we are excited to announce the theme of our 2010 Tricky Tray is "Seas the Day". It will be held on April 9, 2010. "Seas the Day" Tricky Tray is more than just a fundraiser; we are hoping to raise awareness to our 500 attended guests to do their part and be active in conserving our ocean for future generations to come.

St. Anthony of Padua School in Butler, NJ has been providing an award-winning Catholic school education for over 125 years. In addition to the standard curriculum, we offer our students classes in art, music, computers, and Spanish. We have enrichment programs which include the math club, art club, drama club, and instrumental music lessons. Our Home School Association is dedicated to upholding the school's tradition of providing a high caliber, well-rounded education for our students. In April 2007, we received the "Best Practices" Award of the Home-School Federation of the Paterson Diocese and in 2008; our school was named a Star School also by the Paterson Diocese. Only three schools in the diocese have been accorded this designation. The Paterson Diocese defines a Star School as a school on the "cutting edge."

St. Anthony's Annual Tricky Tray Auction historically has been our school's largest fundraiser. The support we receive allows us to continue to raise the bar of excellence to greater heights each year. You or your company may participate by:

- Donating gift certificates, products, services or unique opportunities to be auctioned
- Advertising in our auction catalog
- Contributing cash to help underwrite the expense of the Tricky Tray

Donations received by March 8, 2010 will be recognized on our website, as well as in our Tricky Tray Program, which reaches over 500 family and community supporters.

Please help make our "Seas the Day" Tricky Tray a huge success! We cannot do it without your support. Please complete the enclosed donation form and fax, mail, or email it to St. Anthony's of Padua School. If you have any questions or need more information, please contact us directly. Thank you for your generosity and continued support of St. Anthony's.

Sincerely,

Karen Burke

### 2010 Tricky Tray Boosters

Dear Friends and Supporters of St. Anthony of Padua School,

Here's another way for you to help with the 2010 Tricky Tray. Consider purchasing a Business Card Booster!

Once again we will have advertisements in our Tricky Tray Program. It's a terrific way for you to promote your business while helping our school at the same time.

Please see the order form below. It's simple and inexpensive. All we need is your actual business card and payment. It is that easy! To make certain we meet printing deadlines, we ask that all boosters be sent to school prior to March 8, 2010. Space is limited.

**Thank you for your support!**
